

MyChart Patient Portal: How to Access or Activate Your Account

If you *haven't* logged in to MyChart before, you will need to activate your account. If you *have* logged in to MyChart, your account is already active. You will only need to enter your username and password.

The screenshot shows the MyChart login interface. At the top right, it says "Pay bill as guest". The MyChart logo is prominently displayed. Below it, the word "Welcome" is centered. There are two input fields: "Your username" and "Password". The password field has an eye icon to toggle visibility. Below the password field are two links: "Forgot MyChart username?" and "Forgot password?". At the bottom, there are two buttons: "CANCEL" and "SIGN IN". Below the "SIGN IN" button, it says "New User?" followed by a blue link "Sign Up Now".

1. Go to the MyChart log in page:
<https://bit.ly/ANHC-MyChart>

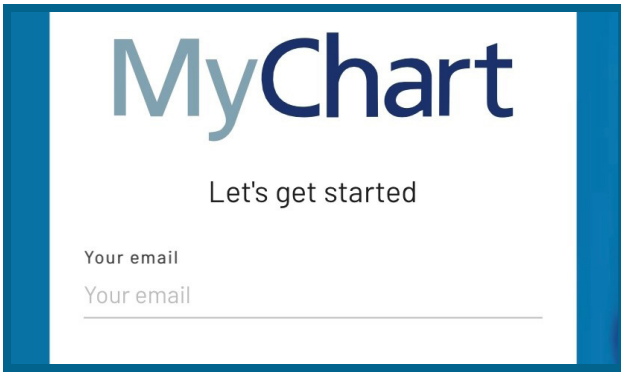

- 2a. You may have created a MyChart account with another organization or provider.

If so, simply enter your existing username and password.

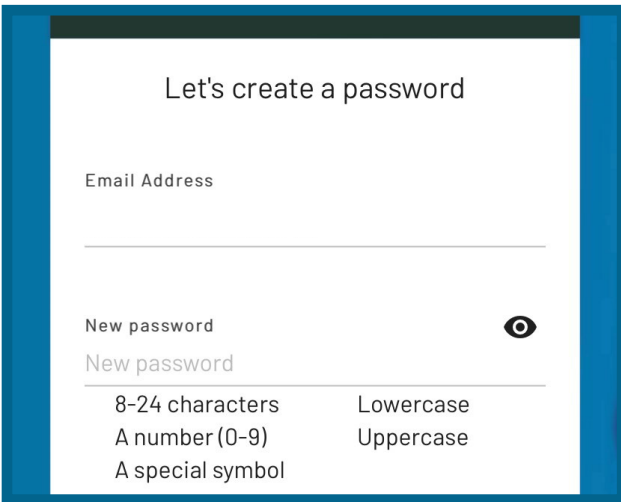

(See page 2 for instructions if you have forgotten your username or password.)

- 2b. If you have not logged in before or you aren't sure, click on **Sign Up Now**.

3. Enter your email address. A verification code will be sent to the email address you provide.

4. Once you've entered the verification code, you will be prompted to create a password.

5. You will be asked "Do you have an activation code from one of our clinics?"

You do not need an activation code to activate your account, but it does make finding your account a bit easier.

If you'd like to receive an activation code, please speak to an ANHC staff member.

Help us find your medical record

First name

Last name

Gender
_____ ▼

Date of birth
MM/DD/YYYY

Phone number

6a. If you answer no (you do not have an activation code), you will be prompted to enter your phone number. A text message with a code will be sent to you.

Enter the code and then provide personal information, including your name, gender, date of birth, the last four digits of your Social Security Number, and your address.

Check the statement regarding the Privacy Policy and Terms of Use.

Click **Next**.

Enter your activation code

Activation code

Date of birth

6b. If you answer yes, you will be prompted to enter the activation code, your date of birth, and the last four digits of your Social Security Number.

Check the statement regarding the Privacy Policy and Terms of Use.

Click **Next**.

7. Congratulations! Your MyChart account has been activated.

If you weren't able to locate your account, make sure the activation code and/or the personal information you entered was correct.

If you are still having trouble, please call the MyChart Patient Support Line at 1-833-395-2035.

Please note that ANHC staff members are unable to answer MyChart set up questions.

Notes

*Forgot your username? Click on **Forgot MyChart username?** on the log in page. You will be prompted to enter your name, date of birth, and zip code. You will be sent an email with the username associated with your account.*

*Forgot your password? Click on **Forgot password?** on the log in page. You will be prompted to enter your username and request a new password. A verification code will be sent to the email address associated with your account.*

After you confirm the verification code, you will be prompted to create a new password.
