

MyChart Patient Portal: How to Request a Refill of an Existing Prescription

Browser

App

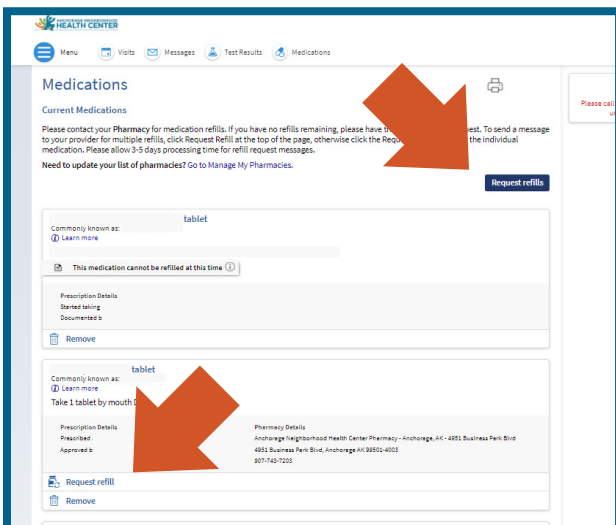

1. Click on **Medications**.

On a desktop computer: **Medications** is near the top of the browser window.

On a mobile device: **Medications** is near the top of the browser window.

On the MyChart app: **Medications** is near the center of the screen.

*Alternate method: Click on **Menu** then locate **Medications** under the heading My Record.*

2. A list of your current medications will appear.

3. Click on the blue **Request Refills** button near the top to refill multiple prescriptions.

Click on **Request Refill** to refill just that prescription.
